

Becky Broughton

I moved to the Coachella Valley in 1975 to start a farm. Currently we deal in native palms, *Washingtonia filifera* as well as date palms. I am an active community member in several organizations. I am a member of the Coachella Valley Chapter of California Women for Agriculture; the Eastern Valley Chapter of the College of the Desert Alumni and Friends. I was also appointed to the board of the Southern Coachella Valley Community Service District.

I currently was appointed to be on the board for the Riverside County Fair & National Date Festival, due to my background in Agriculture, I think the Fair is an active and fun place for youth and the community to learn about our culture and how agriculture plays such a big role in that.
