

Jeff Turley, Chairman

I was born and raised in Southern California and have lived in Riverside for over 30 years. I am employed as a Captain with the Riverside County Sheriff's Department where I've worked for 28 years. I'm currently assigned as the Commander at the Robert Presley Detention Center in downtown Riverside. I'm single with 3 sons, ages 28, 24 and 15.

My hobbies include skiing, golf, motorcycles and fishing. I've been a member of the Riverside County Fair Board for four years and currently serve as Chairman of the Board. I very much enjoy working with the other Board members, as well as the great people from EDA who work so hard to make our fair such a huge success.
