

Jeff Turley

Jeff has had the pleasure of representing Supervisor Bob Buster on the Riverside County Fair Advisory Board for the past 10 years. He enjoys experiencing the great tradition of the Date Festival and the great times the visitors have each year. He feels the Riverside County Economic Development Agency, fair management, and the outstanding staff deserve the lion's share of the credit for making the Date Festival the success it has become.

He was born and raised in Southern California and has lived in Riverside County since 1973. At the end of 2006, Jeff retired after a 29-year career with the Riverside County Sheriff's Department. During his career, he was honored to serve as the Chief of Police for the cities of Perris, Canyon Lake, and Norco.

Jeff enjoys spending time with his three sons, as well as great friends. He has a variety of hobbies that occupy his time until fair time rolls around each February.
