**Rawhide Express – Trackless Train Ride Returning to the Riverside County Fair**

**Indio, CA-** Rawhide Express – trackless train ride will be in route again throughout the grounds daily at the 2017 Riverside County Fair & National Date Festival from February 17-26, 10 a.m. - 12 p.m. & 2 - 5 p.m. As a fully narrated tour, Rawhide Express is considered the rolling map of the Fair; this is the first ride you will want to do so you can scope out all you want to add to your itinerary. The train ride has become a traditional favorite among many fairgoers.

The Rawhide Express train has been chugging around the U.S. all year long, and is chugging full steam ahead to the Fair. After many years of development, Engineer Ken has designed one of the most unique, quiet and attractive Solar and Battery powered trackless train rides in the West. Yes that's right! A Solar and Battery powered train. With a welcoming smile, Ken can't wait to see you there!
